Subject: Real Estate Photographer in CT

Dear Real Estate Professionals and Property Owners:

As a professional real estate photographer in Connecticut since 2005, I have photographed a myriad of homes throughout the state for real estate professionals, homeowners, interior designers, and homebuilders.

My work has appeared in many trade magazines over the years and has won many awards for quality and consistency. My photography portfolio has been recognized by Houzz in 2015, 2016, 2017, 2018, 2020, 2021, 2022, and 2023.

If you are listing a property or selling a home in Connecticut, put my years of experience and photographer's eye to work for you. I serve clients throughout the entire state. My quality and efficient workflow will ensure you pay less than you'd expect or are accustomed to paying for professional listing photos.

Call, text, or email me any time Monday through Sunday from 7:00 a.m. to 9:00 p.m. for more information about my professional real estate photography and to schedule a real estate photo shoot in Connecticut.

Warmest regards,

Jim Fuhrmann
